CodeVerse Guidelines

Key Instructions:-

One should manage the accommodation by themselves. No official accommodation would be provided. However , we are here to support you for assistance in arrangements. Reach out to the team hackthespring@gecg28.ac.in

We are not charging any registration fee for the hackathon, but as our college campus is far from the main city (Quality Food is not available nearby), we are charging a nominal fee for food and refreshments for better experience of the teams (which will be compulsory).

Food and Refreshment Fees for the Team : ₹ 150/- per member(early-bird access), after 23/02/2025 Fees for the Team : ₹ 800/- per Team.(Non-Refundable)

Even though Wi-Fi will be provided, we are not promising to have a stable connection, make sure to have your own stable internet connection

For your own convenience, bring an extension board with you.

Make sure to bring your own devices for hackathon purposes, No Desktop will be provided by our end for hackathon purposes.

Event Details:

- **Date**:   28th February, 2025 & 01st March, 2025
- **Event Type**:   Coding and Technology Hackathon
- **Time**: 9 am to 5 pm within campus(GEC, Gandhinagar)

Platform:

All participants are required to register and submit their projects through the designated hackathon platform Devfolio

Project Submission:

Projects must be submitted by the designated deadline on the 01st March **ON SPOT.**

Submissions should include a detailed description of the project, code repository link (if applicable), and any additional document or resources.

Judging Criteria:

Projects will be evaluated based on creativity, technical complexity, functionality, and potential impact.

Judges will consider factors such as innovation, usability, scalability, and code quality.

Additional points may be awarded for projects that address specific challenge statements provided by the organisers.

Team Composition:

Teams can consist of a minimum of 3 and a maximum of 4 members. Participants are encouraged to form diverse teams with a mix of technical skills and backgrounds.

How to get your team accepted in HackTheSpring :

- Submit your team application for review in devfolio.
- Our team will reach out to your lead out for the verification process and a payment link for the food as mentioned above, which will be compulsory for everyone to pay.
- After your payment gets received your team will be accepted in 24 hours, and you can join the hackathon offline at the venue displayed on devfolio.

Prizes:

FIRST PRIZE 🏅①	Rs. 9000/-
SECOND PRIZE 🏅②	Rs. 6000/-
THIRD PRIZE 🏅③	Rs. 3000/-

Prizes will be awarded to top-performing teams based on the judging criteria.
Prize categories and details will be announced closer to the event date.
Prizes may increase in future.

Support and Resources:

Mentors and technical support will be available throughout the duration of the hackathon to assist participants with any technical challenges or questions.

Organisers will provide regular updates and announcements via email, social media, and the hackathon platform to keep participants informed about important deadlines, events, and resources.

Participants will have the opportunity to provide feedback on their hackathon experience to help improve future events.

CODE OF CONDUCT

Purpose:
Hack the Spring is committed to providing a learning experience for everyone 😁 where collaboration thrives, and good ideas bloom.

Expected Behaviour:
- Treat all participants with respect and kindness.
- Be mindful of your language and actions, avoiding any form of harassment or discrimination.
- Respect the boundaries and personal space of others.
- Collaborate and communicate effectively with fellow participants.
- Follow the rules and guidelines provided by the organisers.

Unacceptable Behaviour:
- Violence, intimidation, or discrimination in any form.
- Offensive comments
- Any form of retaliation against individuals who report violations of this code of conduct.

Reporting Procedure:
If you experience or witness any behaviour that violates this code of conduct, please report it immediately to a member of the organising team. Reports can be made in person or through email (provide contact details).

Consequences of Violation:
Participants who engage in behaviour that violates this code of conduct may be subject to sanctions, including but not limited to warning, expulsion from the event without refund, and banning from future events.

By participating in Hack the Spring, you agree to abide by this code of conduct and help create a positive and inclusive environment for everyone.
